

## Strategic Plan and Annual Plan 2023

### Vision

Our tamariki thrive through faith, opportunity and self belief

### Mission

St Anthony's School nurtures resilient adaptable tamariki with strong Gospel values and a lifelong passion for learning.

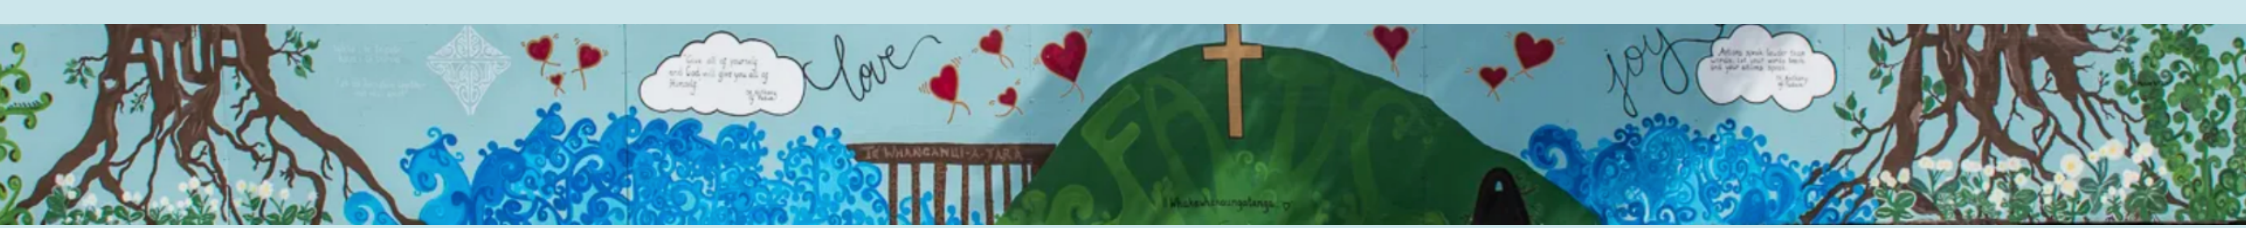

### Values- R.E.A.L

Respect | Te Mana  
(Honesty and Integrity)

Excel | Te Hiringa  
(Faith and Mercy)

Aware | Te Matatau  
(Reconciliation and Gratitude)

Learner | Ako mai, Ako atu  
(Service and Patience)

**Strategic Goal One:** St Anthony's is a nurturing and supportive Catholic school environment for ākonga, whānau and kaiako

1.1 Continuing to strengthen whakawhanaungatanga (belonging and connection) between our school and parish community

1.2 In the school's centenary year, we learn about and celebrate the origins of St Anthony's School. We investigate whenua, mana whenua and the history of learning and faith here.

1.3 Embed Hauora (Māori philosophy of health and well-being) at St Anthony's School, and in particular the taha wairua (spiritual well-being) dimension

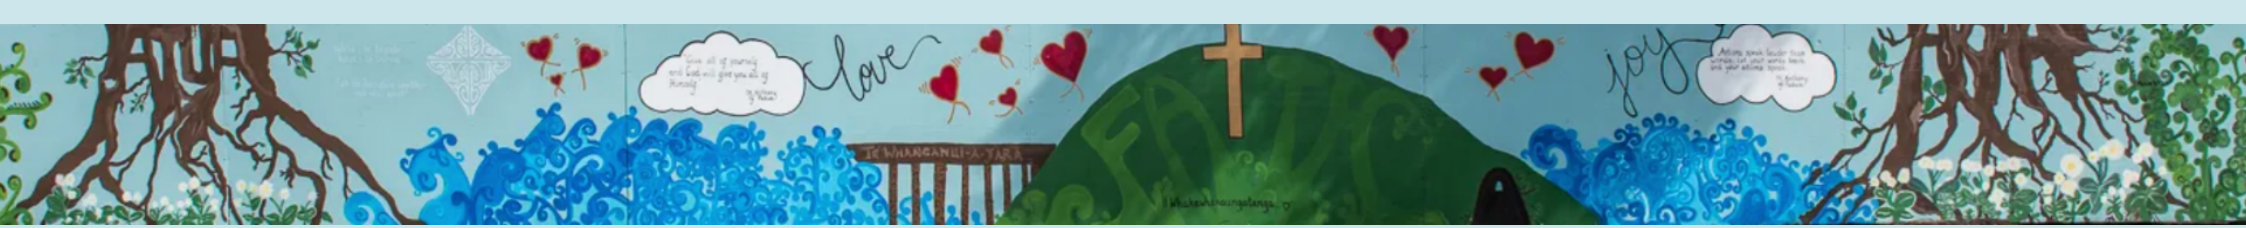

1.4 Grow the roll by 10% year-on-year for 3 years through a deliberate plan of action with the ECEs and primary-only schools

**Strategic Goal Two:** Our tamariki are curious and reflective learners who think creatively and critically and communicate successfully.

2.1 Strengthen teaching strategies and practices in Assess to Learn to enable students to take greater ownership over their learning and understand their learning progressions

2.2 Ākonga make choices and decisions about their learning by being R.E.A.L so that they continue to improve their achievement outcomes and all ākonga are able to achieve success

2.3 Ākonga lead some diversity initiatives to help improve school approaches. The school continues to strengthen inclusive practices, including a specific focus on Māori and Pasifika. Learners with diverse and high needs increasingly experience integrated and effective support.

**Strategic Goal Three:** Our tamariki develop the skills and attributes they need to succeed across the school curriculum and realise their all-round potential

3.1 Continue to strengthen the responsiveness of the Local Curriculum aligned to the cultures, languages and identities of our ākonga and tūrangawaewae (a place to stand)

3.2 Foundation learning areas of the curriculum, including oral language, reading and writing, mathematics and science enhance learners' access to the broader curriculum

3.3 Wider community collaboration is strengthened to enrich opportunities for students to become confident, connected, actively-involved learners. Ākonga have opportunities to learn and challenge themselves in new and fun ways

3.4 Annual Plan Target Recommendations 2023

Reading:

- 2023 Year 2 cohort - those who are 'below' target to move to 'at'
- 2023 Year 3 cohort - those who are 'below' target to move to 'at'
- 2023 Year 5 cohort - those who are 'at' target to move some to 'above'

Writing:

- 2023 Year 3 cohort - those who are 'at' target to move some to 'above'
- 2023 Year 2 cohort - those who are 'below' target to move to 'at'

Mathematics

- Target the 'below' students across the school in small focus groups to achieve accelerated progress
