

Title

St Anthony's Newsletter - Week 9 Term 3 2018

Message from the Principal

Ponderance

Naumai e te whānau o te kura St Anthony's Tēnā Koutou Katoa Dear Parents and Caregivers

This week is **NZ Conversation Week as well as Keep St Anthony's Beautiful Week**. Students have been exploring conservation themes and engaging in various activities to clean up our school and local environments. You will notice that our garden has been weeded and is looking very sharp with recently donated trees! If you are in the Junior playground and feel like removing a weed or two, please do not hesitate! The students are looking forward to planting some vegetables soon.

Our fantastic Choir performed at **Artsplash** on Tuesday night at the MFC. We also have our senior students' digital artwork on display on Level 1. Thank you to our Music specialist Jacqueline Ward for preparing the students so well for the singing as well as Helen Revill for organising our school's art for the Exhibition. If you are near the MFC, don't forget to pop in and have a look at our students' fantastic work!

Reporting to Parents

Tomorrow afternoon, Term 3 report comments will be available on LINC-ED for Years 1-8 under 'Learning in Year ___' (choose your child's current Year group). These will be bulk published so you won't get an email, however, they will be on your child's page by 1pm. There will be a comment for Writing, Mathematics and Learn about Faith. The goal progressions will also be updated so that you can see where your child is working against the curriculum. The following diagram explains the curriculum levels in relation to the year levels.

You can access your LINC-ED account by clicking here: <https://stants.linc-ed.com/wp-login.php> (<https://stants.linc-ed.com/wp-login.php>) If you require assistance, please contact Yvonne in the Office.

Please note that for our Year 0 students, parents will receive a progress report after 6 weeks at school followed by a parent interview. Miss Williams will arrange this with you.

Invitation to Parents - Showcasing our Digital Learning this term - Tuesday 25 September 1.20pm - 2.50pm

This term, our students have been working really hard on our theme 'Connected Digitally'. A lot of amazing learning has taken place and we would love to share what we have all been working on. On Tuesday 25 September, there will be rotations organised to visit each classroom and see what they have been up to. We would love you to come along from 1.20pm to join us.

End of Term

Our End of Term Assembly starts at 2pm tomorrow (Friday 21 September - please note the earlier time tomorrow and for the rest of the year) and we will be celebrating various student achievements including a School Sports Prizegiving. We hope you are able to join us.

Next Friday 28 September is the last day of term. It is also Mufti Day and we encourage students who choose to

wear mufti, to bring a gold coin donation to support Apifo'ou College in Tonga after many of their classrooms were damaged after Cyclone Gita.

Have a wonderful rest of the week. Let's hope it is spring-like weather on the weekend so we can get out and enjoy some family time outside!

Ngā manaakitanga

Jennifer Ioannou
PRINCIPAL

Board Update

First of all, a quick thank you for responding to our school uniform survey. We had 100 responses from families, plus input from our students and staff. We will update you as we work through the responses. However, we are happy to say that on the whole the community reported that most of the uniform is currently working well – but there are some areas where we will consider making improvements.

Each year we set targets for student achievement with accompanying practical steps as to how we will meet these targets. This year the target is for 90% of our students to be at or above their curriculum level for reading, writing and maths. We are pleased to report that we are on track to meet these targets. This is down to the hard work of our students and teachers, working collaboratively to set goals and working out the steps to reach them, with the all-important support from whānau at home. Having additional, focused help from Sam Cripps and Kirsten Bouras, delivering specialised programmes such as STEPS, has also boosted our students towards achieving their goals.

You may have heard mention in the press of a Ministry of Education initiative called Communities of Learning, or as they are known in the education sector, Kāhui Ako. These are groups of schools who work together through a formal arrangement to share teaching and learning expertise with a view to raising student achievement. St Anthony's is part of the Wellington Catholic Kāhui Ako, made up of 13 Catholic primary and secondary schools in Wellington. Our Kāhui Ako is going well, with Jennifer Ioannou working with representatives from the other 12 schools on the implementation process. Over time we expect to see greater collaboration between our Catholic schools, as we work on our chosen achievement challenges around literacy and student well-being. We will also be improving the transition from primary to secondary school for our students (which is another key aim of the Kāhui Ako scheme).

Faith News

Next Monday 24 September we celebrate Our Lady of Mercy. Our Lady of Mercy has been imaged as the one who responds to the needs of those who cry to her. Flying to Mary for protection and help dates back to the third century, the 'Memorare' being the earliest known prayer to this effect. Mary, as the one who protects those who call on her, has often been depicted as sheltering people beneath her mantle. So this date is also the feast day for the Sisters of Mercy - Nga Whaea Atawhai o Aotearoa. The order was founded by Catherine McAuley who opened the first 'House of Mercy' on the 24 September 1827 in Dublin. Going against society at the time, Catherine's house was what we would call today, a refuge for women and children.

Our school is part of this proud heritage as we were founded by the Mercy Sisters and on Monday the children will be learning more about Mother McAuley and what it means to be a Mercy School. **Please join us for our liturgy at 2.30pm on Monday.**

Perhaps as a family, you could pray and discuss this wonderful prayer - The Memorare

REMEMBER, O most gracious Virgin Mary, that never was it known that anyone who fled to thy protection, implored thy help, or sought thy intercession was left unaided. Inspired with this confidence, I fly to thee, O Virgin of virgins, my Mother; to thee do I come; before thee, I stand, sinful and sorrowful. O Mother of the Word Incarnate, despise not my petitions, but in thy mercy hear and answer me. Amen.

Celebrating Student Achievements

NIWA Science and Technology Fair

Over the past two terms Tui Class has been working on creating science projects. Each student had to choose a question to research and experiment on. The findings and evidence were then displayed on a science board. Ten people from the class were lucky enough to be selected to participate in the NIWA Science Fair Competition. The Science Fair was held at the Teacher's College in Karori, where all of the boards were judged by NIWA scientists. Theo and I were both lucky enough to win an award - mine was the Australian and New Zealand Council for the Care of

Animals in Research and Teaching prize. Theo won the Royal Aeronautical Society prize. I attended the prizegiving, which was held at Victoria University. First we had speeches from some NIWA Scientists. Next some NIWA scientists intrigued us with some experiments before the award ceremony. I received \$100 for my prize and Theo received \$200.

By Wilkie Proudfoot and Theo Kane

Celebrating Student Learning

Last week the students had an awesome time celebrating Maori Language week. Every student learnt their mihi and presented it to their peers. Some students who were challenged with the task were supported by a buddy which is an integral part of teaching and learning in the Maori context. Maori legends and the Arts were shared with the students where they rewrote and retold the legends using the narrative structure. During Mathematics the juniors learnt their numerals in Te Reo and they quickly recognised the number patterns as the numbers increased and this further strengthened their understanding of place value. All classes explored the principles of Maoritanga (Maori culture): Manaakitangi (respect) and Whanaungatanga (relationships). We linked these principles to our school values. As a school we are excited to continue this amazing learning journal and continue to integrate Te Reo and Tikanga into our programmes.

Students presenting their mihi

Hoiho Class working together to build strong relationships (Whanaungatanga).

School Notices

The Nutcracker Royal NZ Ballet - 1 November

We have been very successful in our request for tickets to the Schools Performance of the RNZB 'The Nutcracker'. The show is being presented at The Opera House, with the performance starting at 12.30pm. We will be taking the entire school and travelling by booked buses to and from the venue. Whilst utilising the Trips and Activities donation for this event there is still an outstanding amount for the tickets and buses of \$15.00 per student. This amount will be invoiced to your school account. This will be a wonderful cultural performance for the children to experience, with our own Ashley Guesebroek (Year 8) performing as well.

CLOSING! Yummy Sticker Promotion

ALL stickers, labels and sheets need to be handed into the office by **Monday 24 September**, so that they can be submitted for the end of Term 3 closing date. If you need more sheets for over the weekend, please collect them from the office tomorrow. For those new to the 'Yummy Sticker' promotion, there are two types of stickers sheets available next to the Lunch Order sheets. These are the Yummy cut-out labels from bags of apples and individual Yummy apple stickers. The more stickers we collect the more we get to apply for our school's share of the \$200,000 free DG Sport sports gear prize pool. Yummy apples are available from New World, Pak'n Save and participating Four Square stores.

THANK YOU and well done to all those who have handed in their sheets.

CODE.CAMP Coming Soon (Term 4)

Code.Camp will be running every Tuesday afternoon from 3.15pm-4.45pm in the Library. There are 8 sessions for the term and the cost is \$27.50 per child per session. Robotics etc, are provided, however, BYOD is required. Please view the website www.codecamp.co.nz (<http://www.codecamp.co.nz>) and indicate your interest by emailing Yvonne.office@starts.school.nz

French is back at your school in Term 4.

Details:

- **for Year 2 to Year 8**
- **every Wednesday from 3.05pm to 3.50pm**
- **onsite at your school**
- **from 17 Oct to 12th Dec**
- **Price: \$135 for 9 weeks**
- **run by our team of native qualified French teachers**

To enrol, just email us at Alliance Française (schools@french.co.nz), or ring 472 1272.

A bientôt !

Sports Notices

On 13 September, five of our students participated in the Interzone Swimming Event at the Kilbirnie Aquatic Centre. Congratulations girls on your fabulous placements:

Maia Bouras Freestyle - 6th
Petra Bouras Backstroke - 3rd
Petra Bouras Breaststroke - 9th
Eve Williams Breaststroke - 7th
Selma Smith Butterfly - 11th

FOSA Bazaar News

2019 St Anthony's Biennial Bazaar

The St Anthony's School/Church Bazaar has been set for early March next year - exact date TBC. This is a significant fundraiser for our school and Church. Thank you to those who came along to our last two meetings and shared fantastic ideas. **We have set our next meeting for Monday 24 September at 7pm in the Gascoigne Room.** All welcome!

Bazaar Donations required please * House Points!! *

This week - CLEAN JARS & SUGAR - white sugar, brown sugar and/or jam setting sugar.
Next week - CLEAN JARS & VINEGAR - white, white wine, apple cider or malt vinegar.

Please deliver all donations to the school office - thanks in advance.

Art & Crafts Team Bazaar 2019

Do you know someone who knits or crochets?

- We are looking for donations of knitted or crocheted items to sell alongside our amazing art and crafts next year for the School Bazaar, - can you help?
- Please ask your parents and grandparents would they knit up some items over the summer months - wool can be provided!
- Any of the following would be gratefully accepted: Booties, blankets, toys, card's, hats, jersey's, tea cosies or anything else!

Donations:

- We are also looking for donations of good quality material, any old girls school uniforms (winter or summer) not worth passing on (Year 8's!) and cactus or succulent plants - can you help?
- Items can be left in school office
- If you can help us out with any of the above, have helped out before on the day and would like to again, or have an idea and would like to join the team please contact Claire (Issy & Lauren's mum)
 - 0211874785 or email
 - claire.stj01@gmail.com

News from FOSA

School Disco - Wednesday 26 September

\$5 a ticket

The Neonatal Trust

In conjunction with Showroom, The Neonatal Trust Is again running the Welcome Home – Home & Garden Tour on Saturday 16th March 2019 - and we would love your help! We are seeking up to 12 houses with great soul and spirit in the Seatoun, Karaka Bay and Breaker Bay region. Is your home one of them? We are looking for beautiful, interesting, stylish, family-focused homes. Perhaps your home has great history, is recently renovated, features a great backyard or simply shines with character and soul? Proceeds from the tour go directly to assist the work of The Neonatal Trust. Home & Garden Tour will run from 10.00-4.00pm on the day. The spaces in your home open to the tour are entirely up to you; Ticket holders follow a recommended route with a designated start-home; Volunteers are available to provide security within your home – you are welcome to stay and enjoy meeting the ticket holders or join the tour yourself with your free tickets; Following feedback from last year, the visual feast will again be complemented by tasters and canapés from local food and drink heroes – you can choose not to have this if you wish; Children are not allowed on the tour and a 'shoes-off' rule can be applied; If you would like to learn more about how you can help raise much-needed funds for The Neonatal Trust's work supporting the families of sick or premature babies, please contact me on justine.brooker@neonataltrust.org.nz or call 021 267 9039.

Miramar Softball Club

Bring some friends along this Saturday between 10am-12pm to the Polo Grounds for our Give-Softball-A-Go day. We will have the pitching machine operating, tees, bats and balls available for everyone to have a go! If you don't already please follow us on facebook and share the event with your friends and family. We would love to see you all there.
